

## BUSINESS ANNOUNCEMENT

*General Medical Merate S.p.A. is proud to announce its entrance in IMS Giotto Breastcare S.p.A. share capital with majority shares.*

*The goal of this operation is to increase Group business, providing customers with new products and services.*

*Specifically, the operation will provide significant synergies with reference to the mammography field in which IMS Giotto Breastcare S.p.A. starts operating as a leader since its establishment thanks to I.M.S. S.r.l. business lease contract.*

*"Giotto" and "Class" mammography systems are icons of high technology and proficiency bolstered by years of experience and by a team of high level focused on continuous innovation.*

*Our Group's acclaimed and recognised expertise in the field of diagnostic radiology, combined with the introduction of top systems and new skills and know-how, will allow the IMS Giotto Breastcare project to become a significant chance for growth and development for us and our partners.*

*We are therefore happy to share such important news and look forward to seeing you at the ECR 2017 in Vienna to celebrate with you at both booths.*

*We would like to thank each and every one of you for your partnerships and for the trust that you continue demonstrating and we hope that our evolution and strive for constant improvement are source of proud and satisfaction also for all of you.*

Best regards.
